No. 108/Excise. Office of the Director of Civil Supplies and Controller of Prices,

06996 Bangalore, 27th June 1918.

From

C. Ranganatha Rao Sahib, Esq., B.A., B.L.,
Offg. Director of Civil Supplies and Controller of Prices in Mysore, Bangalore.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Sir,

I have the honour to forward copy of a telegram from Mr. Appanna Setti, President of the Tumkur Branch of the Chamber of Commerce, requesting for facilities for the transport of 300 waggon loads of Paddy and Ragi from Tumkur on the ground that the food grains were purchased three months ago. The Deputy Commissioner who was requested to favour me with his opinion on the subject states that the food grains now awaiting export represent the yield of five to six thousand acres and permission may be accorded for their movement as further exportation is unlikely. I am informed by the Assistant Controller of Prices, Kolhapur, who had come here to see me on the matter, that the food grains are largely for supply at Kolhapur where scarcity prevails. I find from inquiries at the office of the District Superintendent of traffic that nearly one hundred waggons of food grains have been exported from the State to the Bombay Presidency during this month under red certificates issued by the Controller of Prices, Bombay.

I solicit instructions from Government whether under the circumstances represented the foodgrains now awaiting export.

export may be permitted to be moved outside the State.

I have the honour to be,

'S i r ,

Your most obedient servant,

Ramgarinatha Rao
Saheb

Offg. Director of Civil Supplies
and Controller of Prices.

N.P.S.

Copy of telegram dated 8th June 1918 from Mr. Appanna Setti, President of the Tumkur branch of the Chamber of Commerce, to the Controller of Prices in Mysore.
